JOHN TICKETHOLDER  
123 MAIN STREET  
SPRINGFIELD, KY 40069-0000  
Notice Code : F0014000

We wrote to you about your progress with work and education from '12/1/2011' through '11/30/2012'. You either did not respond or your response did not show that you made the required progress for the 4th 12-month Progress Review. Therefore, you will no longer be excused from medical reviews unless we receive the enclosed Progress Review Form by '12/1/2012' and it shows that you have made the expected progress for the 4th 12-month Progress Review.

### If You Have Made the Expected Progress

Please see the enclosed chart for the specific Timely Progress Requirements for the 4th 12-month Progress Review. If you have made the expected progress, please let us know by '12/1/2012'. Complete the attached Progress Review Form to tell us about your progress from '12/1/2011' through '11/30/2012'. Then return the form to us using the enclosed postage paid envelope or by fax at 703-893-4020.

Your reply is important. We will not send you another letter if you have made the expected progress. However, we will write to you with our decision if the Progress Review Form does not show that you made the expected progress.

### Why Conduct Timely Progress Reviews

As long as you are making the expected progress toward your vocational goal, Social Security will not conduct a medical review to see if you are still disabled under their rules. SSA uses the Timely Progress Review to decide if you are making enough progress with work and earnings, education, or technical training to continue to be excused from a medical review.

The Timely Progress Guidelines enclosed with this letter show how much progress you are expected to make in each 12-month period. If you are not making the expected progress, you will no longer be excused from a scheduled medical review. This does not mean you will be scheduled for a medical review right away, but that a medical review will be done as normally scheduled.

### Continue Making Progress

We encourage you to continue working with your Employment Network (EN) or State vocational rehabilitation (VR) agency toward your vocational goals. If you have not met the requirements

for your 4th 12-month Progress Review, your EN or State VR agency can provide guidance to help you increase your progress. When you have met the 4th 12-month Progress Review requirements within any 12-month period, just let us know and we will tell you what to do to once again be excused from medical reviews.

The Social Security Administration is authorized to collect the information on this form under Public Law 106-170 and §1148 of the Social Security Act. While furnishing the information on this form is voluntary, failure to provide all or part of the information on this form to the Social Security Administration will prevent review of your progress in the Ticket to Work Program. Although responses to these questions are voluntary, you will not be able to pass the progress review and remain excused from a medical review unless you answer the questions on this form.

Although the information you give us is almost never used for any other purpose than stated above, there is a possibility that for the administration of the Social Security programs or for the administration of programs requiring coordination with the Social Security Administration, information may be disclosed to another person or to another government agency as follows: (1) to another Federal, State, or local government agency for determining eligibility for a government benefit or program; (2) to a Congressional office requesting information on behalf of the program participant; (3) to a third party for the performance of research and statistical activities; and (4) to the Department of Justice for use in representing the Federal Government.

The information you provide may also be used without your consent in automated matching programs. These matching programs are computer comparisons of Social Security Administration records with records kept by other Federal agencies or State and local government agencies. Information from these matching programs can be used to establish or verify a person's eligibility for federally funded or administered benefit programs and for repayment of payments or delinquent debts under these programs.

We may also use the information you give us when we match records by computer. Matching programs compare our records with those of other Federal, State or local government agencies. Many agencies may use matching programs to find or prove that a person qualifies for benefits paid by the Federal government. The law allows us to do this even if you do not agree to it.

Explanations about these and other reasons why information you provide us may be used or given out are available in Social Security offices. If you want to learn more about this, contact any Social Security office.
