Notice Code : F0002000

We wrote to you about your progress with work and education from **Ubi Umi 85% h fci [\ 8 YW a Vy 85% "** The information we have does not show that you have made the expected progress with work and earnings, education, or technical training for your 7th 12-month Progress Review. Therefore, you are no longer excused from medical reviews.

If You Disagree With This Decision

If you would like Social Security to review its decision, you must send a written request to the address below within 30 days of the date of this letter and explain why you disagree with our decision. Please provide evidence to show how you met the requirements for this Progress Review period. You must include evidence of your work and earnings, education, or technical training, such as original pay slips or school transcripts. We will also accept clear copies of these documents along with a signed statement saying that you met the requirements. Please see the Timely Progress Requirements enclosed with this letter.

We will send your written request to Social Security. Once they review your evidence, they will send you a letter to tell you about their final decision.

Continue Making Progress

We encourage you to continue working with your Employment Network (EN) or State vocational rehabilitation (VR) agency toward your vocational goals. Your EN or State VR agency can provide guidance to help you increase your progress. When you have met the 7th 12-month Progress Review requirements within any 12-month period, just let us know and we will tell you what to do to once again be excused from medical reviews.
